A Washington State Non-Profit Organization

## MEMBERSHIP FORM

The Chehalis Music Booster Club was organized in October of 1982. The purpose of this club is to promote all aspects of the Chehalis School District music program. This will be accomplished through publicity, promotion, and financial assistance. Choral and instrumental musical participation will bring family, school, and community closer together for enjoyment and education. The goal is to involve parents and the community in the school music activities. This will include the need for planning and funding with membership open to all interested people.
